

## Sirius XM Radio – A Useful Guide

### Introduction

Sirius and XM have merged to launch Sirius XM Satellite Radio, allowing you to enjoy over 130 channels of crystal clear, commercial free music and talk from every genre on one system.

### Sirius Benefits

Sirius XM Radio brings with it many benefits that make it a far superior choice to traditional radio. The most important differentiators are:

**Choice:** With over 130 channels in total, there's something for everyone

- 60 channels of commercial free music – something of everyone
- World class news
- Live play-by-play sports
- Talk entertainment
- Traffic & Weather
- Comedy

**Digital quality:** No static like AM & FM.

**Coast to Coast coverage:** Great for road trips!

**Commercial Free:** Do you know you can get up to 23 minutes and hour on regular AM/FM radio?

**Exposure to New Music:** You see artist and tile on the display screen.

### Why you should get Sirius with Bravo AV

The experts at Bravo AV make Sirius XM seriously simple.

Bravo AV will set you up with the Sirius XM players that are ideal for your situation and integrate them seamlessly into your existing home entertainment system and vehicles. We'll even set up Sirius on your PC so you can listen to it while you're at work.

Don't already have a system worthy of the power of XM? Bravo AV can design and install a whole house audio system with room-to-room surround sound that will literally blow you away - all with touch-of-a-button, intuitive controls.

- Bravo AV is a Sirius XM Certified Integrator
- Bravo AV's skilled technicians install your Sirius XM receiver so that:
  - It has optimal reception
  - Is easy to use
  - Fully integrated with your existing audio system.
